Located 5 km from the city of Libourne, in the commune of Néac, Château Belles-Graves provides quality guest rooms in an enchanting setting.

The rooms are in the west wing of the château, on top of a hill, with windows overlooking the Barbanne valley and the prestigious Pomerol vineyards.

A terrace featuring a French-style garden is located in front of the house. This is ideal for relaxing, taking a delightful walk through a labyrinth of vines, or enjoying a bucolic breakfast with a beautiful view as far as the eye can see.

We offer four charming, comfortable, attractively-decorated rooms with antique furniture.

All rooms have a bathroom (with bath or shower), toilet, wardrobe, television, and direct dial telephone. Breakfast is served in the large room on the ground floor, or on the terrace.

Our guest rooms are open all year round.

There are numerous places to eat nearby (Libourne or Saint-Emilion), ranging from wine bars to gastronomic restaurants. Of course, it will also be a pleasure to show you around our cellars and give you a taste of several vintages of our well-known Lalande-de-Pomerol.
